SKIN ANALYSIS AND PERSONAL TREATMENT PLAN

An in-depth skin analysis to identify your skin needs and customize a treatment plan to get it glowing and radiant. (complimentary)

PEELS

Improves texture and tone, reduces fine lines — ideal for acne prone and oily skin. An effective complement to Ultherapy, EndyMed, Pulsed Light Rejuvenation, and Active FX treatment.

Single: \$150 Custom Series of (3): \$345 Custom Series of (6): \$685

ZPEEL ENZYME REFRESHER

Hydrating, enzyme “party polisher” — tightens, lightens, brightens. Anti-aging properties, no downtime, good for all skin types.

Single: \$75 Series of (3): \$195

MICROPEN (MICRO-NEEDLING)

A new innovation for the treatment of fine lines, acne scars and improvement of the skin’s overall appearance.

Single: \$300 Series of (3): \$795 Series of (6): \$1495

ELECTROLYSIS & LASER HAIR REMOVAL

While electrolysis is effective for all hair colors, it is the method of choice for light colored hair. Laser is more often the technology of choice for people with darker hair. Typically, a series of treatments is required for optimal results. Schedule a consultation for a custom treatment plan. See pricing on reverse.

MICRODERMABRASION

Gently exfoliates to rejuvenate sun damaged skin and reduce the appearance of fine lines, blackheads, sunspots, acne scars, and enlarged pores. Typically no significant down time or recovery.

Areas: Face, Neck and Décolletage, or Hands

First area: \$100 Second area treated at the same time: \$50

GENTLEWAVES™

A light based treatment that stimulates collagen production and improves sun damage and photoaging without recovery time.

Single (includes face, neck, and chest): \$75 Series of 8: \$495
